

# Padlock Pin, Bush & Thrust Washer

*CAT7495 Dippers.*

## Benefits:

- Mainetec Overlay pin is made using our state of the art robot to ensure for the highest quality overlay pin available. The pin comes with bolt on keepers and sold as a kit with the Mainetec hardened eccentric bush to make it easier for our clients when ordering parts. Mainetec also supplies the bronze thrust washers with locating dowels so we can be that 1 stop shop for all of our clients.
